POLICY

The *History of Philosophy Quarterly* welcomes articles in English on any aspect of the history of philosophy. However, only self-sufficient articles will be published, and not news items, book reviews, critical notices, or “discussion notes” (short or long). The journal specializes in papers of a particular sort, those manifesting a strong interaction between contemporary and historical concerns. Either historical material should be exploited to deal with matters on the agenda of current discussion, or present-day concepts, methods, distinctions, arguments, etc., should be used to illuminate historical questions.

SUBSCRIPTIONS

The journal is published four times a year in January, April, July, and October. The subscription price for 2018 is \$346 (print or electronic only) or \$389 (online and print) to institutions, \$60 to individuals (back issues: institutions \$90, individuals \$40). All correspondence regarding subscriptions, renewals, back orders, and related matters regarding the distribution of the journal should be addressed to the subscription agent: Journals Department, University of Illinois Press, 1325 S. Oak St., Champaign, IL 61820; phone: 866-244-0626 (toll free), or 217-244-0626; fax: 217-244-8082; e-mail: journals@uillinois.edu; www.press.uillinois.edu.
