

A collection of radical  
political fairy tales  
—some in English  
for the first time—  
from one of the great  
female practitioners  
of the genre

“Hermynia Zur Mühlen’s  
thoroughly entertaining tales are  
unique and offer political lessons.

An outstanding translation,  
this excellent collection will  
appeal not only to scholars  
in various disciplines but also  
to general readers.”
