Brother and Sister
A Memoir

Victor Marshall Depta

"First time I ever read a book where I laughed out loud."
"I think they all should have stayed in West Virginia."
"The law shows up a lot, and that's a fact."

INDEPENDENTLENS 

DEEP DOWN

a story from the heart of coal country

"Deep Down is, without a doubt, the most moving and insightful film yet on the issue of mountaintop removal. This movie provides heroes that can stand as examples in any fight for social justice. Deep Down is hugely intelligent, haunting, and moving. I wish everybody in America could see this film."

– Silas House, NEH Chair in Appalachian Studies at Berea College

JSF
JESSE STUART
FOUNDATION

Preserving the legacy of Jesse Stuart and the Appalachian way of life.

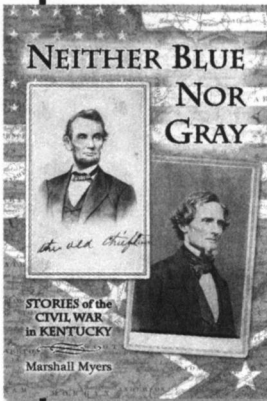

A great human drama using diary and journal entries of real people who lived the hardships, war, deprivation, and success of this era. Eckert gives faces and feelings to one of our country's grandest adventures—the opening of the American west.

688-page hardcover • \$35
\$45.00 w/bookplate signed by author
ISBN: 978-1-931672-75-7

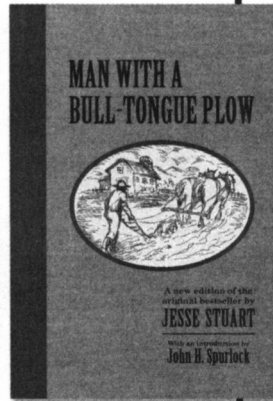

A biography that focuses on the man, not his books. Without ignoring his eccentricities, this book offers fascinating insights into the character of a national icon, a hero to America's teachers, and a friend to the thousands of people he met and inspired.

480-page hardcover • \$30
ISBN: 978-1-931672-56-6

The Civil War affected the daily lives of nearly everyone in the Commonwealth of Kentucky, a slave holding state that chose not to secede from the Union. Here are seventeen stories of lesser known combatants or "folks back home" who suffered in so many ways from the ravages of war.

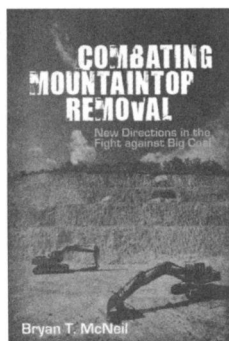

160-page softcover • \$15
ISBN: 978-1-93167-77-1

A collection of 703 sonnets originally published in 1934, the first printing of the first edition sold out in less than a month and immediately established Jesse Stuart as a major American writer. A new introduction by John H. Spurlock adds context and insight to this book that was nominated for a Pulitzer Prize.

384-page hardcover • \$30
ISBN: 978-1-931672-82-5

Combating Mountaintop Removal

New Directions in the
Fight against Big Coal

BRYAN T. MCNEIL

This close ethnographic study of community activist group Coal River Mountain Watch investigates the local effects of globalization on ideas of identity, history, and landscape.

Illus. *Hardcover \$45.00

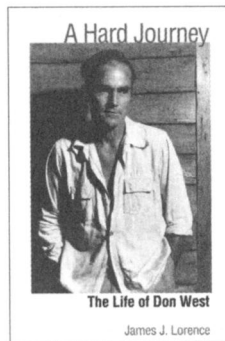

Spirits of Just Men

Mountaineers, Liquor Bosses, and Lawmen in the Moonshine Capital of the World

CHARLES D. THOMPSON JR.

"A fabulous and thorough collection . . . including a chronicle of the Great Moonshine Conspiracy Trial of 1935."—*Garden & Gun*

Illus. Paperback \$23.95

A Hard Journey

The Life of Don West

JAMES J. LORENCE

"This is a definitive contribution to the history of Southern Appalachian radicalism and education. . . . It is hard to imagine anyone writing a more valuable biography."—*Journal of Appalachian Studies*

Illus. Paperback \$25.00

Available Spring 2012

The Poco Field

An American Story of Place

TALMAGE A. STANLEY

In this beautifully written meditation on identity and place, Talmage A. Stanley tells the story of his grandparents' middle-class aspirations from the 1920s to the 1940s in the once-booming Pocahontas coalfields of southern West Virginia.

Illus. Paperback \$28.00

Transforming Places

Lessons from Appalachia
Edited by
STEPHEN L. FISHER and
BARBARA ELLEN SMITH

Critically explores a wide range of oppositional politics that provide widely relevant lessons about building coalitions and movements to challenge the hegemony of corporate-driven globalization.

Illus. Paperback \$30.00

Ghost of the Ozarks

Murder and Memory in the Upland South

BROOKS BLEVINS

Combines the narrative history of a murder trial and mystery with the social history of the Ozarks in the early 20th century to present a region and its people.

Illus. Hardcover \$29.95

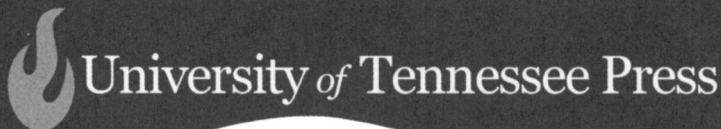

*Unjacketed

Announcing a New Series

Charles K. Wolfe American Music Series

Ted Olson, Series Editor

The University of Tennessee Press is proud to announce a new series in honor of the late Charles K. Wolfe (1943–2006), whose pioneering work in the study of American vernacular music brought a deepened understanding of a wide range of American music genres to a worldwide audience. In recognition of Dr. Wolfe's broad approach to music, the series may include books that treat genres of American folk and popular music that are not necessarily associated with him, such as Native American music, traditional jazz, or quite recently emerging contemporary forms of American vernacular music. In the main, the focus of this series will directly reflect Dr. Wolfe's primary research interests (i.e., books on the music traditions of the South and Appalachia, and books on country music, old-time music, folk songs and ballads, bluegrass music, gospel, and rural blues). Several books are already in preparation for inclusion in this series. The types of works appropriate for the series might include biographies of leading musical innovators in American folk and popular music, works on theoretical and interpretive issues that play significant roles in our appreciation and understanding of American vernacular music, and reprints of classic volumes of music scholarship (especially if new analysis is offered).
