Mormon Studies Review

The *Mormon Studies Review* tracks the vibrant, varied, and international academic engagement with Mormon institutions, lives, ideas, texts, and stories. It chronicles and assesses the developing field of Mormon studies with review essays, book reviews, and roundtable discussions related to the academic study of Mormonism. The journal offers scholars and interested non-specialists a one-stop source for discussions of current scholarship on Mormonism, ranging across disciplines and gathering voices from a broad cross-section of the academy, both LDS and non-LDS.
