The Utah State Historical Society is an organization devoted to the collection, preservation, and publication of Utah and related history. It was organized by public-spirited Utahns in 1897 for this purpose. In fulfillment of its objectives, the Society publishes the *Utah Historical Quarterly*, which is distributed to its members with payment of a $5.00 annual membership fee. The Society also maintains a specialized research library of books, pamphlets, photographs, periodicals, microfilms, newspapers, maps, and manuscripts. Many of these items have come to the library as gifts. Donations are encouraged, for only through such means can the Utah State Historical Society live up to its responsibility of preserving the record of Utah's past.

The primary purpose of the *Quarterly* is the publication of manuscripts, photographs, and documents which relate or give a new interpretation to Utah's unique story. Contributions of writers are solicited for the consideration of the editor. However, the editor assumes no responsibility for the return of manuscripts unaccompanied by return postage. Manuscripts and material for publications should be sent to the editor.

The Utah State Historical Society does not assume responsibility for statements of fact or opinions expressed by contributors.

The *Utah Historical Quarterly* is entered as second-class postage, paid at Salt Lake City, Utah. Copyright 1967, Utah State Historical Society, 603 East South Temple Street, Salt Lake City, Utah 84102.
